

Greetings to everyone

I feel privileged to present annual report of Global School of Excellence for the session 2023-24.

“Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great”

As we approach to the end of this academic year and our 5 years of service towards providing quality education since our inception in 2019, the stage is ready to celebrate and showcase joyful glimpses of teaching & learning in classrooms.

“Nurture every child holistically by emphasizing on his intellectual, physical, emotional, social & spiritual needs based on moral and human values.”

With this mission in our minds, our school has not left any stone unturned in imparting quality education and inculcating the right spirit and positive attitude amongst the students of our school.

Our school continues to uphold a comprehensive and student-centered curriculum designed to foster intellectual growth, critical thinking, and practical skills in students.

Academic year of success and achievement unfolded with the CBSE board results. The students of our school brought laurels by getting 79.2 percentage and the Excellence index of the school was 85.7%.

We have set standards and goals for ourselves and strived hard to achieve them – be it in the area of academics, sports, discipline, leadership and more. Each year students have made the school proud with their brilliant efforts not only in the field of academics but also in the co- curricular areas.

Sharing highlighted activities

To serve as the representative of the student body within our school community and to foster student engagement and leadership, this year newly elected students' cabinet took oath on 15th July at Investiture Ceremony.

It was like a dream come true when our students got an opportunity to travel in Madhya Pradesh's first Vande Bharat train along with Honourable Prime Minister Shri Narendra Modi ji.

It's honor to share about the opportunity our students got to meet Chief Minister Shri Shivraj Singh Chouhan ji and participated in a plantation event at the CM House. Such experiences can be incredibly enriching and have a lasting impact on students.

To kindle interest in Hindi story writing and to know its composition, our students attended Akhil Bhartiya hindi laghu katha parv organised at Madhya Pradesh Tribal Museum Bhopal.

To help students to make right decisions about their future by comprehensive information about various career paths, educational options, and the skills required in different professions. A career fair was organised for the students of class 8th to 10th in the month of June. Resource person Shri Manish Kane Ji and Students of Tata Institute of Social Science guided and shared their experiences with our students.

Transcendental Meditation was taught by Shri R.S Patwari ji from Maharishi Mahesh Yogi Tradition and A session of Vipassana Meditation taken by Yog Guru Shri Anil Mehta ji, was organised for students and teachers to bring numerous benefits in their physical, mental, and emotional well-being.

To emphasise the importance of health, personal hygiene, nutrition, and physical fitness, a medical camp was organised in the month of March 2023, Every child got health check-up by Doctors of reputed Manipal Hospital from Delhi.

To educate students and teachers on medical emergency response, a CPR Camp was organised at school campus.

Eco club of school organized cleanliness drive called Swachhta Pakhwada where students have not only actively participated in cleaning their classrooms and school premises, but have also out reached the nearby villages and made people aware about waste management and distributed dustbins among them.

Aiming to educate students about astronomy, and inspire love for science, an entertaining experience with science was provided through O2 Science Planetarium visit and a science workshop also organised at school for students.

Festivals of all regions and religions are celebrated in school for fostering cultural appreciation and teaching social awareness beyond textbooks on important days. This is also a teaching learning methodology to teach respect and learn about our traditions, to develop habit of research, to find hidden talents, to promote a vibrant and engaging learning environment in school.

To Instil Feeling of Patriotism in Young Generation Independence Day & Republic Day were celebrated. Students performed freedom fighters role play, sung patriotic songs and showed joy through patriotic dances.

Gandhi Jayanti and Constitution Day are celebrated with special assembly respectively to Emphasize the Importance of the Indian Constitution and to spread Bapu's Ideologies among the students.

To provide insights into career opportunities within the Indian Air Force, a workshop by Indian Airforce team was organized on 26th Nov, at school.

Teachers' day celebration was held to provide an opportunity for students to convey their deep appreciation and recognition for teachers' unwavering dedication and hard work to shape their future.

Janmashtami was celebrated with little cute Krishnas from kindergarten wings.

This year we have initiated one more yearly event, Global Garba Mohotsav for students and their mothers which turned out to be a spectacular one for all.

Healthy competition contributes to the growth of students and prepares them for life.

Apart from Celebrations, Competitions in different categories for different classes were also conducted on regular basis.

To develop love for reading and writing and presentation, competitions like – Handwriting, Poem writing, short story writing, slogan writing, reading day, storytelling, poem recitation competitions, role play and many more were held.

To motivate young artists and help them to develop their creative skills by exposing them to the art, competitions like- Drawing and Art comp on the topic veer gatha, Save Tigers, Save Earth and save Environment, Rangoli making, rakhi making, diya decoration, decoration of Christmas tree and cribs and more were conducted for students.

Sports form a crucial part of a student's growth and development. We have regular sports periods for all classes.

In which they practice Kho- Kho, Baseball, Kabbadi, Basketball, Carrom, Chess, Soft ball, drop robball and athletics.

To boost students' interest and hone talent, inter- house sports competitions are held in school. Not only in school in-house competitions, Students are also shining in inter- school competitions. Mast Gurjot Singh of Class 8th and Ku. Mahi Parmar of class 7th were selected for state Baseball team under 14 category this year.

This year our students were also selected in Madhya Pradesh drop roball team and represented Madhya Pradesh at 12th National Junior Drop roball Championship 2023, held at Haridwar Uttarakhand. And bagged 2nd position For our state.

We want our children to be grateful for what they have been given and have compassion for those who are in need. We are trying to inculcate in our children the spirit of giving through KIND SPIRIT activity every month. They share books, stationery, Diwali gifts and very new clothes with the needy friends.

“We have organised Kindergarten Graduation Ceremony for class KG 2 of 2024 on 23rd February, 2024.. This is the celebration of warm memories of learning and playing together. And they are ready to move in new formal learning of school with big dreams for the future”.

Professional development of teachers-

To prepare the future individuals of our nation, teacher should be skilled and well-informed. And for this we have motivated our teachers to attend continuous inhouse and CBSE's COE Training on the Topics Classroom management, Stress Management, Happy Classroom, Cyber Safety, Subject and pedagogy, NEP 2020 and Curriculum,

This year I got opportunity to visit IIT Bombay as Principal's Exposure visit program of CBSE and G 20 State Conference of Principals. It is benefited to implement vocational training for students in our school.

Visits and Excursions...

Our school organizes excursions and field trips every year to help students to gain first hand knowledge and enhance their academic learning imparted beyond the classroom teaching, in joyful company of peer & friends.

This Year students visited theatre to watch 12th fail movie. Students learn -to view failures as opportunities to reset and try again. The path to success is often difficult and riddled with obstacles which can be overcome.

With new hope and new dreams, we are set to reopen school for students from 18th March, 2024. And the new session will start with the bridge course to prepare students for new class with basic revision.

**“The woods are lovely, dark and deep
But I have promises to keep,
And miles to go before I sleep,
And miles to go before I sleep.”**

With these lines

I assure you to continue excellence through the performances of students in academics and non-academic in coming years.

I thank our school director Dr. Sonal Mehta ji whose continuous support to our ideology of education has empowered me and my team to serve the society.

I express my heartfelt gratitude to the parents and guardians for choosing GSE for their children. Your trust is invaluable to us, and we are committed to living up to your expectations.

Thankyou
